Pixies hide in cupboards and drawers, where they muddle things up and put bowties inside the socks. Late at night they dance with the mice and braid the cat's whiskers... On Christmas eve Pixies bake cookies for Santa Claus and invite the tiny Christmas elves for hot cocoa, and they play hide and seek between the presents under the Christmas tree.

The last 24 days before Christmas, the unbearable excitement is only relieved by unwrapping one little surprise every morning. What gifts have been hidden in the Christmas Countdown Calendar this year? Is it candy, a reindeer ready for a jinglebell ride, or maybe two cold snowflakes wrapped in a note inviting you to a snow fight? For young and old alike the pursuit of giving or getting 24 little surprise gifts is a delightfully fun family tradition.

SWEET ANGEL

EVERY DAY AND EVERY NIGHT WHEN YOU FEEL THE NEED
TO HOLD ME TIGHT. JUST BLOW A KISS INTO THE SKY,
FOR I WILL BE THAT CLOSE BY. IN THE HEAVENS
THROUGHOUT THE DAY, I WATCH OVER YOU AND HEAR YOU PRAY. I SEE
YOU SMILE AND SHED A TEAR, FOR YOU KNOW THAT I'M STILL NEAR.
I'M THE ANGEL OF YOUR EYE, YOUR ANGEL IN THE SKY.

A TASTE OF THE BACKGROUND STORY

Our story begins over a hundred years ago, when Kathrine Andersen successfully created handmade chocolates.

Ever since, the chocolatier has cherished creating excellent high quality chocolate.

Only pure and natural ingredients are used in our products.

The chocolate is processed gently so the flavour, colour and texture are maintained.

The sharp snap and pure taste characterizes our chocolate.

The taste will delight even the most discriminating chocolate lover.
